

Title II, Part A: State-Level Equitable Services Program

Opportunities through the North
East Florida Educational Consortium
(NEFEC) for Non-Profit Private
School Teachers and Leaders

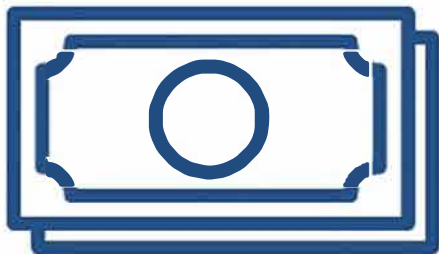

Free Professional Learning Courses

Access NEFEC's online courses at no cost. Topics include technology integration, positive behavior intervention supports, differentiated instruction, reading and gifted education, and more.

Earn Inservice Points

Private school organizations with an approved professional learning system that has NEFEC courses included in their catalog can report inservice points for teachers employed at member schools.

Stipends for Course Completion

Teachers who successfully complete a NEFEC course are eligible to receive a stipend (amount varies depending upon course).

Endorsement Class Reimbursement

Teachers may request reimbursement* for college or university classes taken in order to receive an academic endorsement on their Florida professional teacher certification.

Custom Course Creation

Have an idea for a professional learning course not currently offered by NEFEC? Leaders may request a custom course to be created at no cost.

Conference Travel Reimbursement

Leaders attending a professional development conference may request reimbursement* for travel expenses; conferences must be pre-approved by the program office.

*Conditions apply. See website for details.
